

## DefenAge Overview

DefenAge has redefined anti-aging skincare. It is the first and only skincare line that utilizes Age-Repair Defensins, a proprietary blend of regenerative peptides and supporting molecules, to reverse and prevent signs of aging. The perfect combination of science and technology, Age-Repair Defensins stimulate new skin growth-regardless of age or skin condition. The result? Visibly younger and healthier skin in just 6 weeks!

### **Individual Products:**

**24/7 Barrier Balance Cream:** Using DefenAge's Age-Repair Defensin peptide technology, this lightweight cream hydrates, brightens, refines and energizes skin. Its effectiveness provides visible results against signs of aging. Barrier Balance Cream is available in two varieties, with fragrance and with no fragrance added. Barrier Balance Cream is available in two varieties, with and without fragrance.

*How to use:* Apply twice daily on clean, moist skin. Begin by placing up to 3 pumps onto fingertips, lightly massaging over your face, and neck.

**8-in-1 BioSerum:** Using one potent formula, this serum provides the skin-improving benefits of eight separate skincare treatments. It is full of Defensins, a molecule that activates the repair process by reprogramming skin cells, promoting new skin growth. This serum is designed to target each individual's skincare needs.

*How to use:* After using the 24/7 Barrier Balance Cream, apply 2 pumps of serum onto fingertips. Begin application around the eyes before distributing the serum over the entire face, and neck

**2-Minute Reveal Masque:** This masque provides gentle yet effective exfoliation by using a combination of three enzymes and sugar crystals-revealing smoother, brighter skin in minutes. The self-warming formula is key for maximizing the defensins' action and increases the penetration of other DefenAge products. To eliminate the build-up of dead, dull cells use on a weekly basis.

*How to use:* To maximize results, apply once or twice weekly onto clean, dry skin. Massage onto skin using circular motions for up to 20 seconds.

**1-Step Multi-Cleanse:** This unique soap-free cleanser dissolves impurities within the pores and makeup in just seconds. How so? The 1-Step Multi-Cleanse is designed using ingredients that stimulate the skin's natural ability to enhance defensins-response. Promoting natural prebiotics, it is great for balancing the skin's delicate make-up and preparing the skin for DefenAge products that follow.

*How to use:* Using a dime-sized amount, massage into dry skin for 15 seconds using moist fingertips. Continue massaging in circular motions until a white cleansing milk has developed. Rinse well with warm water.

**3D Eye Radiance Cream:** This multi-tasking eye cream is intended to target all the main visible signs of aging. 3D Eye Radiance Cream is designed to lift, firm and smooth the upper eyelids providing effective, visible results. This cream is made fragrance-free and is safe for those who wear contact lenses.

*How to use:* After cleansing and rinsing, while skin is still moist, pump a drop of cream onto the gold applicator tip. Gently dab 3 dots of Eye Radiance Cream above and below each eye by using the applicator to massage the cream around the eyes.

### **DefenAge Kits**
