

PREMIUM SKINPEN PACKAGE

POST PROCEDURE PRECAUTIONS:

1. Avoid exercise, excessive sweating, strenuous activity, and direct sun exposure for the first 3 days.
2. Mild to moderate redness/swelling for a few days is normal although most of it should be gone by day 3.
3. Do not use any hydroxyl acids, hydroquinone, retinal, or vitamin C until day 5.

DAY OF:

1. Do not use any other skincare products (makeup, cleansers, moisturizers, or sunblock).
2. Apply Skinfuse HG Lift generously.

DAY 1 POST SKINPEN:

AM:

1. DefenAge cleanser
2. Skinfuse Rescue to be applied generously as often as needed to hydrate and sooth
3. Sunscreen SPF 40 or 50
4. May resume use of makeup although we recommend leaving skin clean or only using mineral makeup for the first few days if possible. Make sure makeup brushes are clean!

PM:

1. DefenAge cleanser
2. Pure hydrating and rejuvenating serum
